Profile

Digital marketer with 3+ years across B2B technology, SaaS, education and e-commerce. Combines hands-on Google and Meta campaigns, SEO, conversion optimization and team leadership with GA4, SQL and BI analysis. Uses customer behavior and reliable measurement to improve acquisition, content priorities and the journey from first visit to conversion.

Core capabilities

Acquisition and content: Google Ads (Search, Performance Max), Meta Ads, SEO, keyword and audience research, media planning, budget pacing.

Conversion and delivery: Landing pages, CRO, A/B testing, customer journeys, lead-quality reporting, cross-functional coordination, team coaching.

Measurement: GA4, GTM, Looker Studio, Excel/Google Sheets, SQL and BigQuery; Power BI and Python in independent analytical projects.

Professional experience

Laptop SGN | E-commerce Analyst (Freelance)

Jul 2025 - Dec 2025

- Analyzed 100,000+ GA4, channel, product and transaction records using BigQuery, SQL and Excel to guide acquisition, merchandising and customer retention decisions.
- Identified product-to-cart conversion of 21.5% as a key funnel constraint; translated segment, device and returning-customer behavior into CRO and CRM recommendations.
- Standardized recurring KPI reporting, reducing preparation time by 30%; explained performance findings and recommended channel-allocation priorities.

Golden Owl Solutions | Digital Marketing Analyst / Team Lead

Apr 2024 - Sep 2025

- Planned and optimized Google Search, Performance Max and Meta campaigns for B2B technology and education brands, aligning audiences, ad messaging, landing pages and budget pacing.
- Reduced Golden Owl Work-with-us campaign CPL from VND 1.6M to VND 736K; used lead quality and geographic performance to shift focus toward Singapore and Australia.
- Led SEO and content work as Golden Owl traffic grew from 3,000 to 30,000 monthly visits (Jun 2024 - Jun 2025); supported LeaseRunner growth from 5,600 to 27,500 visits (Dec 2024 - Jun 2025).
- Built TurisVPN organic visibility from zero to 45,000 monthly visits in 12 months; used download conversion by content topic to prioritize commercially relevant themes.
- Owned GA4/GTM tracking setup and validation; built Looker Studio reporting and delivered 70+ analyses supporting marketing decisions across 15 client businesses.
- Led project planning, translated management objectives into KPIs and milestones, allocated resources, trained and guided team members, and owned delivery against agreed targets.

Professional experience continued

Canawan Global | Digital Marketing Executive / Team Lead

Sep 2022 - Apr 2024

- Led a three-person content team across affiliate and e-commerce projects; defined KPIs and milestones, allocated work, trained contributors and tracked delivery against management goals.
- Conducted market and competitor research, coached on-page SEO and technical auditing, and grew organic traffic by approximately 40% to 15,000 monthly visits.
- Connected acquisition, product and revenue reporting across 1,000+ SKUs; automated WooCommerce workflows with n8n and Google Sheets.

Selected marketing and growth evidence

Golden Owl CRO

Project lead | Apr 2024 - Sep 2025

Used GA4, Hotjar and HubSpot to diagnose weak blog-to-service journeys and define a CRO roadmap. Lead conversion rose from approximately 0.6% to 2.1% during the broader marketing program; the result reflects multiple concurrent activities.
